Garbage Detail Confused; Board Studies Issues

Two Rival Collectors Vie To Bring Better Service

Once more the issue of garbage collection in Truckee becomes a problem and today two or three separate collectors, working independently of one another, were on the job as members of the Truckee Sanitary District attempted to smooth out the difficulties.

It appears that board members asked Wallace Watkins, who last fall was given a contract to serve the district, to terminate his contract as of last night, following complaints that the collections were not satisfactory. This Watkins declined to do and continues to operate despite the notice.

The board meantime has employed Floyd Appaidale, who has been working with Watkins, supplied him with a truck and he started collecting today.

Board members, meeting in a special session this morning, issued a public notice asking that May garbage payments be made to the Truckee Sanitary District and not to Watkins. A regular meeting of the board will be held Tuesday for the purpose of ironing out the confusion.

The garbage collection program in Truckee has had a varied and unique history, but this is the first time that two separate and rival units have operated simultaneously, and for the time being, at least, there certainly should be no service complaints.

A. Armati this week took over as garbage collector for nearby areas outside the Truckee Sanitary District. He announces he will make collections in Gateway Park, Meadow Park, Donner Lake and Donner Summit and those desiring service may contact him.

THIMBLE CLUB MARKS FUNDS FOR CHURCHES

The second meeting of the Thimble Club was held at the home of Mrs. Alice Mayer Tuesday evening with Hazel Roberts conducting the short business session.

The members have decided on a worthy project for the year, the proceeds to be divided equally between the two local churches. The object of the club is to work the betterment of the community.

Pirate bingo was enjoyed by the members, followed by refreshments. The hostesses were Alice Mayer and Pearl Heller. Members present were Lillian Sites, Irma Smisek, Ella Knapp, Ruth Campbell, Hazel Roberts, Dorothy Guymer, Amelia Schumacher and the hostesses. The next meeting will be held June 5 at the same place with Mrs. Sites and Mrs. Smisek as hostesses.

WORLD WAR II HERO SPEAKER FOR ROTARIANS

The guest speaker Monday at the Rotary Club was Major A. P. Umoff of Mather Field, who was introduced by James Horak.

Major Umoff flew 49 missions over Germany in World War II as lead navigator of the 1st Division of the 8th Air Force, ETO. In his distinguished service he won two DFC medals, six air medals and six battle clusters.

The major gave vivid descriptions of bombing runs over strategic German targets and, in so doing, he told of experiences that were humorous. Today as a director of instructing personnel training at Mather Field he compared the complexity of mastering the jet bombers with the old B17s and B26s.

Guests were Bob Schmitt of Palo Alto; A. J. Ketman, Tahoe City; Walt Schoenbenecht, Salisbury, Conn., and Harry Digesti of Truckee.

Tahoe Tot Swallows Pin, Operated on At Capital

A successful emergency operation was performed by a Sacramento specialist on Tuesday for the removal of an open safety pin from the throat of Anne Marie, nine months old daughter of Mr. and Mrs. William Connors of Tahoe City.

The little girl put the pin in her mouth, it slid to the back of the throat and lodged with the clasp and point upward at an angle, just above the windpipe.

May Date—

Mrs. A. P. Leitch observed her birthdate May 1.

Riverside Visitors—

Mr. and Mrs. Lester Braasch were Riverside visitors last weekend.

Driving Tests To Be Conducted By State May 10 - 11

When you are driving a car, how fast do you react in time of danger?

How is your side vision?

How well do you judge distance?

These and other important questions can be answered for you by the personnel of the driver testing devices in the California Highway Patrol's safety education mobile unit, which will be displayed in Truckee May 10 and 11, it was announced today.

The unit, a large trailer used by the patrol in connection with its safety education program, has been requested by Everett V. O'Rourke, superintendent of school of the Tahoe-Truckee Unified School District. It is designed to make drivers understand and appreciate the importance of alertness, good vision and rules of the road. The testing devices include a reaction machine, distance judging test, side vision test, steadiness test and glare reaction and glare recovery.

Captain George Peterkin, head of the local highway patrol squad, stated that it is important for drivers to recognize the human element in safe motoring.

"No attempt will be made to evaluate the driving ability of any person through these tests," he declared. "Any deficiencies noted, it is hoped, will encourage that person to seek a remedy or compensate for such deficiency.

"Safety in traffic is a personal responsibility and no amount of testing can replace courtesy, cooperation and obedience to the traffic laws."

There will be no charge for the tests, Captain Peterkin said.

TWO INITIATED BY 20-30 CLUB LAST EVENING

Earl Smith presided at the 20-30 Club meeting held at Cozzi's Cafe last night when two new members, Lynn Kishbaugh and John Quinn, were initiated.

Safety Sallys have been ordered by the club for school crossings and are expected to arrive for installation soon.

An educational party for the benefit of an injured child will be held in Reno this evening and all members of the local club who wish to attend should meet at the Shell Station at 6:30 o'clock.

Jim Leamon was named delegate to the district convention at Bishop May 19 and 20.

Harvey Hocker, Cub Scout master, announces that on Tuesday, May 29, the Truckee Cub Scouts will hold a meeting, show and a pot luck supper at the local ball park. All parents and friends of the boys are urged to attend the event.

Tahoe Coast Guard To Have Radio System

A board of directors meeting of Lake Tahoe U. S. Coast Guard Flotilla 61 was held last night at the Wagon Wheel resort.

The flotilla, commanded by Fred Webber of Stateline, has been organized to minimize accidents on the lake and to facilitate rescue work.

A federal radio installation worker has arrived at Lake Tahoe to supervise installation of four maritime radio stations around the lake. The stations to be used as navigation aids, will be located at the Tahoe Boat Co. in Tahoe City, L. J. Putnam's at Carnelian Bay and Al Young's at Bijou.

Jeep Stolen Sunday Recovered Monday

Stolen some time Sunday, a Jeep belonging to C. A. Tollefson was recovered Monday just west of Reno where it apparently had been abandoned when it ran out of gasoline. Wallace Watkins noticed the vehicle beside the road and notified the police. Tollefson had left the Jeep parked in front of his Cottage Hotel and had removed the keys.

Mr. and Mrs. James Walker and children have returned from a visit to Lake County and the bay district.

Sewer Report Is Tabled By Local Sanitary Board

Trans-River Line Repairs Are Accomplished By Board

After a thorough study of requirements and costs, members of the Truckee Sanitary District board of directors have tabled, for the time being at least, a report on proposed improvments and additions to the sewage works of the district, submitted by Ludwig Brothers, engineers, of Pasadena.

The lengthy and detailed report proposed five projects, broken down into 16 separate units, with the costs ranging from an initial $3550 for Plan A1 to $171,830 for complete revision, modernization and extension of the system to Donner Monument.

The report was so designed as to provide the board with costs on each of the 16 units and recommendations were made which would automatically eliminate several proposals to make the project complete in every detail from new lines to pumping plant.

The board was required to follow Plan A1 immediately and at a cost of $1100 has replaced the old pipe across the Truckee River to the disposal plant with a cast iron line, eliminating all seepage into the river. This project was set up on the engineer's report to cost $3500 but would have included repair to the trestle supporting the line.

Under the engineer's program, Plan A would include repair to the river crossing, first priority treatment of the plant revisions, replace main sewer line to the west extremity of the district at the estimated total cost of $40,300.

Plan B would include High Street extension, west and east Trout Creek areas not now served, repair and reconstruct 40 manholes, clean the trunk lines and provide further treatment of the diposal plant, all costing $26,590.

Under Plan C to take in the area south of the Truckee River, the cost would be $19,000.

Plan D would take in the gravity area of Gateway Park at a cost of $19,740.

Plan E would include Meadow Park to Donner Monument, the West Gateway area, west of the gravity area, and provide a pumping plant for all the district west of the Gateway gravity area and the cost was estimated at $66,200.

New Chamber Directors To Organize Tonight

The newly elected board of directors of the Truckee Chamber of Commerce will meet tonight for the purpose of reorganizing and formulating plans for the coming year.

At the last meeting ballots were tabulated and the results revealed the following seven now comprise the board:

Reginald E. Smart, restaurant owner; C. H. Ellis, service station; E. K. Stice, Southern Pacific; Charles Osburn, service station; James Walker, haberdasher; Lee Nisbet, real estate and H. G. Loehr, county supervisor.

Storm Cancels Game, Reset for June 17th

The storm during the weekend caused postponement of the baseball game scheduled between Truckee and Portola Sunday and Manager Tom Dolley said the contest has been reset for June 17.

At the present time the local team is awaiting more favorable weather and ground conditions before lining up a home game.

SHACK BURNS

The alarm this morning called members of the Truckee Volunteer Fire Department to a fire on the south side of the river just west of the Lake residence. An abandoned shack was totally destroyed but the department stood by to prevent the spread of the fire to nearby property.

Sun Beams

by Walter M. Barrett

Back in the horse and buggy days there may have been definite advantages in shopping in larger neighboring towns. The bigger communities did have better stores, better service and a greater variety of goods. But that was in the horse and buggy days. Today the person who clings to the notion that he can get better bargains by trading elsewhere is woefully behind the times. The small town of today is not the small town of yesterday. No longer is it more or less isolated, no longer behind the neighboring cities in merchandising, in service or in any important phase of community life. The advent of radio, the rapid expansion of news coverage by the local press, these things have forever ended any degree of isolation. The development of modern food, clothing and supply stores, the establishment of the branch bank which provides the same service as in metropolitan centers—these things, along with the modern movie theater with the latest from Hollywood, make any town a "big town" regardless of its population. What advantage then has another community to offer over our own? The grass always looks greener in the other field—at first glance. But if you will take another look, a closer look, at our own you'll find it just as good. In fact, the things you buy elsewhere are all available here, probably at better prices and certainly without the added expense of travel to get them. What's more, it's the local merchants and businessman whose taxes help pay for schools, streets and public health and safety services. Our town is only as fine as its citizens make it. The greater the loyalty of our citizens, the greater their support of our merchants and tradesmen, as well as their backing of all worthy civic endeavors, the better our town will be.

KOREA VETERAN AT LIONS MEET FOR DADS, SONS

The Truckee Lions Club was host to 44 boys at their father and son dinner last night at Tahoe Inn.

An honored guest was Marine PFC Howard Carnell, son of Floyd Carnell, who just returned from several months on the Korean war front. Young Carnell was with the Marines who reached the Yalu River and were forced by the Red Chinese hordes to make the heroic and historic retreat through Korea last winter.

Speaker of the evening was Vern Landreth, chief of the division of health, physical education and recreation for the state department of education. His topic was "Adjusting Father's Bifocals to Junior's Eyes". He was introduced by Rufus Gregory. R. C. Gifford presided.

Pre-School Health Check Set for Next Wednesday

Mrs. Barney Phipps, health chairman, announced that the Parents and Teachers Association of Truckee Elementary School will sponsor a health examination for all pre-school children, including those who will enter the first grade this fall, on Wednesday, May 9, in Truckee Elementary School beginning at 1 p.m.

Dr. L. D. Nelson and Dr. Robert Affeldt will give the examinations, assisted by Mrs. Helen Thom of the Placer County Health Department.

Birth certificates must be brought by the parents for registration at that time.

New Fords—

Wittich Motors of Colfax have delivered a Ford coupe to George W. Holt of Tahoe City and a V-8 pickup to George Kaspian of the Truckee Lumber Company.

Returns to Live Here—

Jim Garibaldi who left here for southern California and more recently has been living in San Mateo has returned to live in Truckee.

Bids Called For $120,000 Road Job On Summit

Alignment and Road Vista Would Be Improved By Work

SACRAMENTO — (C.N.S.)— The state highway commission has allocated an additional $30,000 for grading and surfacing U. S. 40 between Donner Summit and Donner Lake, making a total of $120,000.

The budget for 1951-52 allocated $90,000 for this project, which consists of improving alignment and sight distance by widening at four separate locations.

State Director of Public Works C. H. Purcell has authorized the division of highways to advertise for bids in the Sierra Sun for constructing 0.8 mile of U. S. 40 between Donner Summit and Donner Lake.

STORM CURTAILS ANGLERS' LUCK ON OPENING DAY

The opening of the trout fishing season on Lake Tahoe, Donner Lake and Boca Reservoir on Saturday was snowed out.

The few brave fishermen who did go forth were soon back home sadder for their experience and with few fish to repay them for their efforts.

The storm was described as one of the worst of the year. Scores of motorists who came up for the opening of the season were temporarily stranded and few unloaded their boats from trailers. A few nice catches were reported on Lake Tahoe but with the waters on all three lakes high, boats did not stay off shore for long.

Sunday saw a slight moderation in the weather but it was still too cold and windy to provide fun and most fishermen who braved the elements reported the fish not biting too frequently.

The streams in the district will not open until May 26. Prospects for all types of fishing are expected to improve materially by that time as the water and weather will be warmer and the trout are expected to be more plentiful than in recent seasons, according to the experts.

TRAFFIC STALLED ON SUMMIT BY SPRING STORM

A foot of snow here and nearly twice that amount on Donner Summit Saturday caused one of the worst congestions of traffic on Donner pass that has been experienced even during the height of winter storms.

A seven-hour traffic delay was caused by the sudden and unexpected storm which caught motorists without chains, inexperienced in winter driving and the state equipment without sufficient operators to cope with the situation.

The storm moderated Sunday and the chain control was removed that morning. Mild weather followed the snow which extended into Reno and west to Baxter's.

I. O. Gifford Starts Real Estate Venture

I. O. Gifford announced this week that he has received a real estate broker's license in California and is opening three offices to serve the public in the near future. The head office will be located in the Truckee Resort with Lee Wilson, recently arrived from Chicago with his wife and two children, as sales manager of the new venture.

Vertner Visits—

Air Force Sergeant Loren D. Vertner, former local resident stationed at Mather Field, visited friends here Tuesday. His brother William, who has visited Truckee from Idaho, has been missing in action in Korea since last February, Vertner said.

Water Survey In District Reveals Subnormal Pack

The water content of the snow in the Lake Tahoe and Truckee River watershed area is far below normal, according to a survey and water forecast of the Truckee Basin Water Committee as of April 1.

Due to extremely heavy rains and flood conditions, experienced last November and December, the soil has been thoroughly saturated and the runoff is expected to be somewhat greater than would ordinarily be expected under existing conditions. During those storms, from November 13 to December 15, Lake Tahoe rose 2.51 feet. The gates were opened on the latter date and approximately 108,400 acre feet of water were withdrawn until February 13, when the outlet was cut to a minimum.

On April 1, the surface of Donner Lake was at 5931.4 feet or a storage of 5800 acre feet, leaving a reserve storage space of 4.4 feet or 3700 acre feet. Independence Lake held about 11,700 acre feet of storage. Boca reservoir contained about 19,500 acre feet of storage with capacity at 41,000, leaving about 21,500 to be stored. All these are expected to fill to capacity.

Based on the April 1 survey, Lake Tahoe is expected to hit its peak elevation about June 15, Anticipating normal runoff and precipitation until that date, the survey estimates that mark will be around 6228.7 feet.

The Truckee River watershed is expected to have a runoff about 53.6 per cent of normal. The natural flow at Farad will probably drop below the required 500 CSF about June 15, necessitating drafts on reservoir storage at that time.

Based on the survey, it is expected that both irrigation and storage next winter will be maintained at full Floriston rates.

The survey is conducted annually through the cooperation of the Truckee-Carson Irrigation District, Washoe County Water Conservation District and the Sierra Pacific Power Company.

Pythian Pot Luck Party Enjoyed Friday Night

Mrs. Ray Roberts, MEC of the Pythian Sisters Summit Temple No. 79, presided at the brief business meeting which preceded the pot luck supper held by the group on Friday evening and shared by the local lodge of the Knights of Pythias.

Mrs. Jack Ellis, assisted by Dora Jackson and Ella Waters, composed the committee in charge of arrangements. Jesse and Mildred Brown of Lake Forest, Mrs. William Englehart and Ray Roberts furnished the music while dancing was enjoyed.

A series of such gatherings in the future are being planned because the affair was unanimously voted a success.

Wyethia Club Meeting Will Feature Games

Mrs. Barney Phipps will preside at the meeting of the Wyethia Club tomorrow evening, to be followed by playing bridge, canasta and bingo. The advance cards promise a pleasant evening without any charge. Hostesses for the evening will be Mesdames A. P. Leitch, Raymond Scott, G. E. Lewis and Lester Deckwa.

High School Carnival, Show Set for Friday

The Tahoe-Truckee High School is planning a Roaring '20's Show and Carnival to be held in the Veterans' Memorial Building Friday at 8 p.m.

The proceeds will go to the associated students' treasury to help defray the expenses of the school annual. The carnival will consist of refreshment booths, sketching booth, dart throw and a booth affording an opportunity to throw something at Joe Stalin. The students will also present their version of the activities of the 1920's. The show will include silent movies, stage show, girls' trio, fashion show, charleston and many other acts.

Langille, Loynd, Little, Gaiennie Election Winners

138 Vote TPUD Ballots, 99 Turn Out in Fire Canvass

On the basis of complete but unofficial returns, H. T. Langille and E. L. Loynd were elected Tuesday to the Truckee Public Utility District board of directors. In one of the heaviest turnouts for a purely local election ever recorded here, 138 cast ballots.

Langille led the field with 91 while Loynd polled 72 write-in votes. He topped Mrs. Ametta Firpo by only six votes when she received 66. James McIver received 12 and B. W. Reynolds, incumbent, who was not a candidate for re-election, polled nine complimentary votes. Three other men received one each and three ballots were disqualified, two being blank and one voting for three.

In the Truckee Fire District election, held at the same time, 99 electors cast ballots. Of these, nine were disqualified. On a completely write-in basis, incumbents R. N. Little and F. W. Gaiennie received 67 a piece. Fifty-nine voted for both together and each picked up eight votes out of the remaining 40.

E. L. Loynd and N. F. Dolley got five each, John Richards four. Langille, McIver and H. F. Cardinal received two each and six others polled one vote each.

Loynd said he did not regard the utility results as final since the board meets Monday to officially canvass the results and this may erase his slight lead over Mrs. Firpo. Loynd is incumbent chairman of the board.

JUSTICE COURT MAY BE MOVED DOWN TOWN

Fosten Wilson, justice of the peace in Meadow Lake Township, is hearing cases in the attic of his home in Truckee.

If he doesn't get better quarters by the end of the year he will be in a position, under the court reorganization amendment adopted by California voters last November, to order the sheriff of Nevada County to provide them.

Under the circumstances, the board of supervisors has lent attentive ears to a proposal by James Sherritt. He has offered to lease a 12½ by 47 foot ground floor building on Commercial Row in Truckee to the county for a court room at $60 a month. He will hold the offer open to July 1, the beginning of a new county budget period.

HOWARD CARNELL HOME FROM KOREA

TAHOE CITY— Marine Pfc. Howard Carnell, who has had many months of combat duty in Korea, sent word to his parents, Mr. and Mrs. Floyd Carnell of Tahoe City, that he has landed at San Diego and he arrived home on Wednesday for a greatly needed rest.

The many friends of the family will be glad to learn of the young man's return to this country.

Mary Boyce to Compete For Scholarship Award

Mary Boyce of the Tahoe-Truckee High School will travel to Marysville tomorrow for the Zone 7 selection event for the Bank of America achievement awards. Miss Boyce will compete with students from six other schools in the fine arts division. Other divisions include science and mathematics, liberal arts and vocational arts.

One winner will be chosen in each general field and these will be notified through their schools to attend the final northern counties group selection event on May 18.

Parents Visit Schools In Open House Program

Scores of parents and patrons of the two local schools Friday evening enjoyed the open house receptions held under the auspices of the faculties and students.

Work of the local institutions was displayed and programs were presented, exemplifying the progress being made in the educational system in this district.

Throughout the district, at Kings Beach, Tahoe City and Donner Summit, similar programs were enjoyed throughout the Public Schools Week, sponsored by the Masonic Lodge.

SWANEE'S TAHOE LETTER

Tahoe City, April 29

Dear Tahoeites—

Since fishing is the principal topic of the day, I'll give a summary of fishing notes right off the bat.

As usual, Carl Bechdolt Jr. of Tahoe City was one of the first in with a catch, a 7 pound rainbow. Fred Main reports 153 fish were caught in the vicinity of the Tahoe Boat Company piers on opening day, ranging between 3 and 4 pounds and including good looking specimens of mackinaw, german brown and rainbow. Mr. Epps, in a fishing party from Taft, is reported to have caught the largest fish of the day, displaying a 13½ pounds makinaw. Nat Quilici and Bob Seibold of Truckee caught seven between them and Frank Quilici, also of Truckee and Mr. Ralphs of Stockton brought in five between them, the largest an 8½ pound german brown. John and Louis Ferri and Mr. Berry all of Reno brought in limits the first day. Many boats were out on Monday and things looked good for a good catch.

Called Fremier's Sportsman's Port at Sandy Beach and learned that Louis Knox of Carson City was one of the lucky ones Sunday. Although storm clouds hovered over the lake all day, Knox dared the chilly elements for an hour and was rewarded by catching two nice mackinaw, a six pounder and a four pounder. Fremier declared that scant luck was had on opening day, due to stormy conditions. A lot of fish-

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and no later than, Friday, the 11th day of May, at 5 p.m., for the purchase of classroom furniture. Specifications are on file in the office of the Superintendent of Schools at Truckee, California. Bids will be opened at 8 p.m. on Thursday, the 17th day of May at the office of the District Superintendent of Schools at Truckee, Caliifornia.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of suitability and fitness of products offered.

Bidders are required to submit complete specifications for any and all items for which bids are offered and furnish a certified check in the amount of 10% of the bid to guarantee faithful performance of contract.

By order of the Governing Board, Tahoe-Truckee Unified School District.
W. A. LOYND, President
Dated: April 25, 1951 a26m3,10

NOTICE TO CREDITORS

SUMMIT SCENE

by FRAN COUILLARD

The incessant clamor for a four lane highway that has been going on for the past several years would have ceased abruptly last weekend if even two lanes had been available for those who had been "hung up" for 14 hours in the spring snow storm last week end. As we had nothing to do except look out the window, we counted the westbound cars that followed the grader as it made a path through the slush around 2 p.m. Saturday. We counted 264 cars in one parade, divided into chapters by 17 huge trucks.

Ernie and Margot Nordstrom profited by the "HI wind" for their little hamburger stand was denuded of food in the early hours of the day. The same blow blew business to Ernie Tschopp's new garage at Kingvale as he sold all his next winter's chain supply. Ralph Rowton and Harry Pratt's service and garage businesses got on the ball to take care of the business that skidded their way.

Three feet of the white stuff that hasn't been too plentiful all winter stands in our front yard.

Eleanor Anderson, Patricia Nerney and John Lambres of Ski Hi, all cross country ski enthusiasts, took off for Eugene, Oregon, the latter part of last week to compete in the first annual John Craig Memorial Race.

Eve Donadio, little Rickey Misener and young blonde Karin Nordstrom all celebrate their natal date on the first day of May. Eve stayed stayed up long enough April 30 to peek into May 1 to see what was cooking on her birthday. Wanda Misener reopens the Snowflake to give Rickey's young friends a treat on the lad's birthday. Day Tschopp bakes one of her very good cakes for Karin.

We get an invitation from Doc and Ruth Widing of Rancho Sierra at Emigrant Gap to another party next Saturday night.

Air mail postal cards from New York state that Bill Rutherford is on his way home from his eastern trip.

Another card from the Harold Steens, stamped from Mexico, states that they are on their way home after a swell vacation.

The Albert Aldens have moved from the Mountain to San Francisco.

My Place In the Sun

by DOUG BARRETT

Latest addition to our Little White Way is the running dog neon in front of Jack's Sandwich Shop.....Marie Street back behind the grille at the post office.....spelling vacationing Bea Perkins .....The 3J Ranch Boys packing 'em in at the Pastime Club.....Johnny Rablin, free from the army on a short leave, and his wife, Gertie, all smiles.....Jim Leamon and Irene Oetjen braved the elements Sunday and did a little fishing at Tahoe.....with Irene pulling in a nice mackinaw .....Jack Waggoner, scorning a boat, caught his big mackinaw right off his pier at Donner Lake .....Paul Rausch and Mike Goicoa taking up where Alice McGee left off clerking at Tonini's Grocery .....Have you tried the gingerbread doughnuts at Duane Freeman's Do-Nut Shop?.....The Nevada PTA Congress held a big meeting at Lovelock last week..... with our own Daryl Gaiennie toastmaster at their banquet..... Arlene Smart looking like a calendar picture Saturday.....wearing a matchless smile, fresh snow in her hair and a fresh gardenia on her fur coat.....compliments of the opening of the Donner Florist at Gateway.....the gardenia, that is, not the coat.....Slim Ellert really stood out in a crowd this week in his neon green shirt and neon canary tie.....and don't overlook Sarge Reynolds in his sportshirt decorated with scenes of beautiful Hawaii.....A lot of church goers were caught short when we shifted to daylight saving time last Sunday morning.....

Nevada County, Neighbors Share in Gas Tax Funds

SACRAMENTO —(C. N. S.)— Distribution of $56,011,264 from the highway users tax fund for the quarter ended March 31 was announced yesterday by State Controller Thomas H. Kuchel.

The distribution in Nevada County totaled $49,067.03. Placer County got $78,650.79 and El Dorado $72,332.49. Sierra County received $26.906.86.

In the distribution of unrefunded airplane gas taxes totaling almost $45,000, Nevada County got $373.18, Placer $376.07, El Dorado $375.71 for the same quarter.

Monterey was the capital of California from 1776 to 1859.

North Tahoe

by THELMA BURROUGHS

Mrs. Jessie Hale returned last Saturday to her Kings Beach home to spend the summer.

Mr. and Mrs. John Clackett and daughter Susan returned home with Mrs. C's father, George Meisenheimer, to Tahoe Vista and will remaini at the lake this summer.

Mr. and Mrs. Charles Campbell of Oklahoma City, Mr. and Mrs. George Williams and daughter, Georgianna, of Richmond were weekend guests of Mrs. Anna Blaue. Mrs. Campbell and Mrs. Blaue are sisters.

The Bible Study group met on Tuesday at the home of Mrs. Jack Judy.

Mrs. Vincent L. Vercoe of Tahoe Vista left last week for Los Angeles to undergo physical examinations and take a rest.

Don't forget the WSCS will sponsor a talent show at Brockway Theater on May 8, following a bake sale in the lobby which will start at 5 p.m. Remember, May 8—purchase your sweets and see what talent your neighbors have to offer.

The stewards' dinner for the Wee Kirk o' the Pines last week was proclaimed a huge success with about $80 being added to the building fund. Rev. A. A. Carmitchel acted as chef, preparing three large turkeys. A progressive auction on half a cooked turkey added $22 to the fund.

Mrs. Belcher of Tahoe Vista returns this week from a two months stay in Piedmont where she's been looking after rental property while her husband finishes the interior of their lakefront home here.

P. M. Burroughs of Tahoe Vista left Tuesday on a two weeks tour of southern California, Nevada and Arizona for the purpose of spreading the good word about the wonders of the Lake Tahoe district.

Mr. and Mrs. Ted Barrett have moved from Kings Beach to Reno. Barrett was first secretary of the Tahoe Forest Hospital District and business agent for the Carpenters Local Union here.

The board of supervisors granted a petition by property owners in the North Tahoe Public Utility District opposing annexation, after hearing arguments by Attorney D. R. Robinson, T. L. James and James Wheat, county sanitarian. It was stated the area proposed to be annexed was not included in the original utility district and the owners feel the present setup is satisfactory.

Bobby Lee Faulkner Joins United States Navy

The Reno Navy Recruiting Station announces that Bobby Lee Faulkner, son of Mr. and Mrs. Ira H. Faulkner of Bijou was enlisted on April 25. He enlisted for as a Seaman Recruit for a minority enlistment and is now in San Diego where he will undergo recruit training.

While in San Diego, naval recruits study seamanship, navigation, naval ordnance and other related subjects pior to their initial assignment to a ship, station or service school.

Recruit Faulkner formerly attended the Tahoe-Truckee high school.

The naval recruiter also announces that vacancies exist whereby young men meeting all requirements can expect enlistment in the very near future. The Navy Recruiting Station is located in the Reno Post Office building.

15 Inches of Snowfall Recorded at Tahoe

TAHOE CITY— An unseasonable weekend storm left 15 inches of new snow here, according to Observer A. E. Frodenberg, which held 3.04 plus inches precipitation. By Monday morning this had settled to 4½ inches of snow on the ground. The lake level stood at 6228.4.

Daily high and low temperatures were: April 23rd: 59, 33, 24th: 50, 30; 25th: 45,33; 26th: 51, 33; 27th: 56, 28; 28th: 36, 31; 29th: 39, 21; 30th: low 20.

In Switzerland—

Dr. and Mrs. Earl Guthridge of Oakland and former Truckee residents are sending interesting cards of their European itinerary, the latest from Bern, Switzerland.

Connecticut is known as "the arsenal of the nation."

Shasta Lake has more than 350 miles of shoreline.

State of California, Department of Public Works,
Division of Highways
NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on Thursday, May 31, 1951, at which time they will be publicly opened and read in the Assembly Room of said building, for constructing State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, between Donner Summit and Donner Lake (III-Nev-37-C), about 0.8 mile in total net length to be graded and surfaced with plant-mixed surfacing on untreated rock base.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Classification	Rate per hour
Apprentice (oiler, fireman or watchman)	$1.84
Asphalt plant engineer	2.29
Blaster — powderman	1.90
Bootman	1.75
Boxman or mixer box operator (concrete or asphalt plant)	1.99
Carpenter	2.39
Cement finisher (journeyman)	2.20
Concrete mixer operator (up to one yard)	1.94
Concrete mixer operator (over one yard)	2.24
Fireman in hot plant	1.94
Flagman	1.55
Laborer	1.55
Operator of jackhammer-vibrators and all air, gas and electric tools	1.775
Operator of power shovel and/or other excavating equipment with shovel type controls (up to and including one yard)	2.44
Operator of power shovel and/or other excavating equipment with shovel type controls (over one yard)	2.59
Power grader operator (power planer, motor patrol or any type power blade)	2.44
Reinforced steel worker	2.325
Roller operator	2.29
Spreading machine operator	2.29
Tractor operator	2.29
Truck driver (18 cubic yards water level capacity or more)	2.04
Truck driver (14 cubic yards and less than 18 cubic yards water level capacity)	1.92
Truck driver (8 cubic yards and less than 14 cubic yards water level capacity)	1.85
Truck driver (4 cubic yards and less than 8 cubic yards water level capacity)	1.67
Truck driver (less than 4 cubic yards water level capacity)	1.58
Any classification omitted herein not less than	1.55

Overtime — not less than one and one-half times (1½) times the above rates.

Sundays and holidays — not less than one and one-half (1½) times the above rates.

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles, and San Francisco, at the office of the District Engineer of the District in which the work is situated and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

TAHOE LETTER

—Continued from Page 2

ermen showed up but it was too cold to remain out more than a short time. Carl Bechdolt Jr. said his guests, the L. Edwards of Susanville, and party of 12, who stayed at the Lake Chalets Motel, all went out Sunday and brought back the limit without any trouble.

The last of the weekly meetings of the Lake Tahoe Ski Club was held last Friday night but a small group of around 25 was all that attended. Vice President Howard Guth presided. A number of projects were discussed but no definite action taken. Jimmie Martin suggested that the Community Center and Volunteer Fire Department join in staging a carnival to raise money for the coffers of both organizations and Ray Fellows suggested that the group bring in a merry-go-round for summer and operate it on a percentage basis. Further study will be given the ideas. Martin also was given the dubious honor of being made official janitor. He has been doing the cleaning of the hall and so his fellow members gave him an official cap, befitting his position. Henceforth, meetings will held on the last Friday of each month in Community Hall.

A call to Art Frodenberg informs me that 15 inches of snow had fallen up to Sunday morning, but had settled considerably due to its water cotent. The scenery was beautiful but road conditions on Saturday were not so good. Out Dollar Hill way about a dozen cars, some even equipped with chains, couldn't make the grade and had to wait until the plow came through to clear the slush from the highway.

In Tahoe City a new store opened its doors for the first time Saturday. It is the recently remodeled Sam's Market, now known as Jack & Dinty's Market. The new owners will announce details of their official opening date, May 12. Jack Dunne, one of the partners, is at present laid up in bed with a painfully injured foot, received when he fell from a ladder while readying the store for opening. The Sierra Sun will carry a more detailed story on the new enterprise next week.

Little five-year-old Sandra Fellows of Carnelian Bay has recovered from her siege of measles. She took sick shortly after her brother Lewis went back to school after his severe bout with measles.

The Victor Nelsons of Oakland are in their Carnelian Bay home which they are readying for the summer season.

Danell, four-year-old daughter of Mr. and Mrs. Robert Pomin of Tahoe City, has returned to her home this week following eight days in a Reno hospital after she had undergone an emergency operation.

Theodore Schlueter is making slow progress in his recovery of health at his Tahoe Park home. He is seeing only a few visitors until he becomes stronger.

Bill and Shirley Conger have re-opened their restaurant at Tahoe City, following a nice vacation.

Back for the summer are the Ken Steddoms who enjoyed a round of visiting relatives all over the state before returning to Tahoe.

Tahoeites and visitors will find a new STOP sign at the Tahoe-Truckee wye at Highway89. This has been a dangerous intersection and many accidents have been narrowly averted. This is an excellent idea.

It was a son for the Henry Sams of Pineland at the Carson-Tahoe Hospital April 25. He has been named Christopher and weighed in at 7¼ pounds. Sams is a teacher at Tahoe Lake school and had to miss the open house that evening. Miss Ulah Brown and Mrs. Robert Briggs, the other teachers, showed parents methods used in instruction and explained the school program. Jack Smith loaned movies for the occasion and delicious refreshments were served by mothers.

Extending best wishes to all for good health and good cheer, I am, as ever, Swanee.

From Los Angeles—

Mr. and Mrs. Fred Manley are arriving today from Los Angeles to stay for the summer at Lake Tahoe, spending the first part catching fish before opening their real estate office.

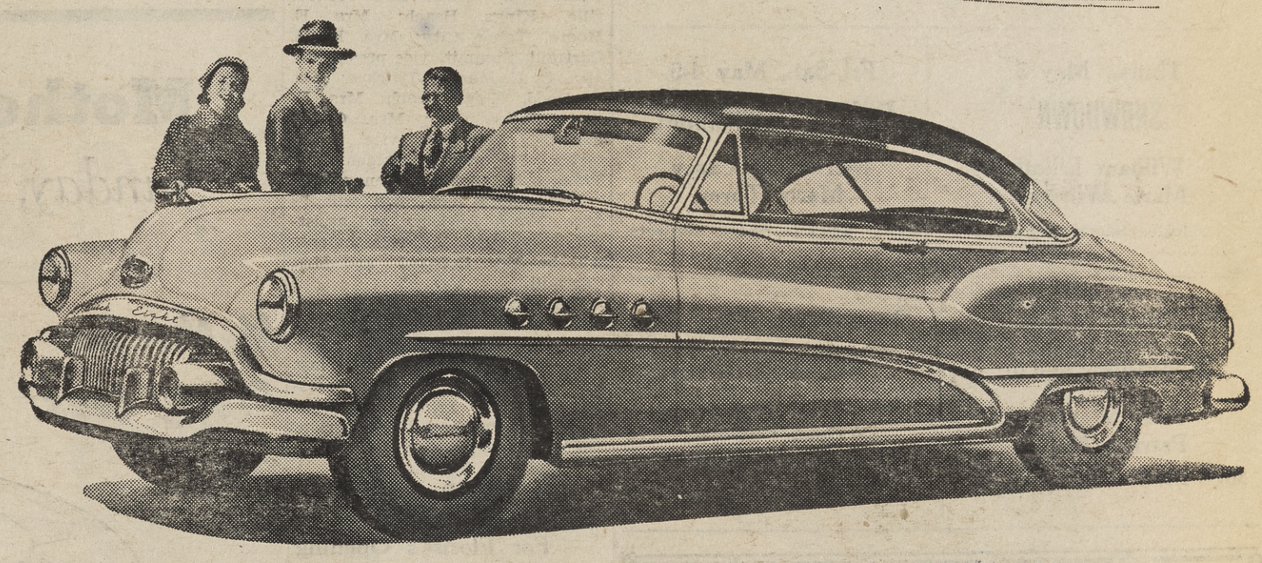
FIREBALL POWERED



Who said You can't Afford a Fine Car?

WHEN you look at all a ROADMASTER has to offer, it's only natural to conclude that it's priced with the rest of the fine-car field.

Sweeping proudly past you, it has a distinction that few cars can equal.

Stepping nimbly away from a stop light, it has the willing surge of power that the very exclusive combination of a 152-horsepower Fireball engine and Dynaflow Drive* delivers.

It rides the road with majestic smoothness, and comes to a smooth and gentle halt, in response to the finest brakes Buick ever developed.

Inside, it has spacious room, from side to side and front to back and seat to roof—plus a softness of cushions and a richness of fabrics which bespeak the custom standards to which it is painstakingly built.

All you could want in a fine car is here in abundance.

But don't let that fool you into deciding "it's too rich for me."

If you've looked into 1951 car prices generally, you'll discover this:

You can own a ROADMASTER for just a shade more than an ordinary car will cost—and for several hundred dollars *less* than the price tags usually found in "the fine-car field."

Why not look into this today?

Equipment, accessories, trim and models are subject to change without notice.

** Yours at no extra cost on ROADMASTERS.*

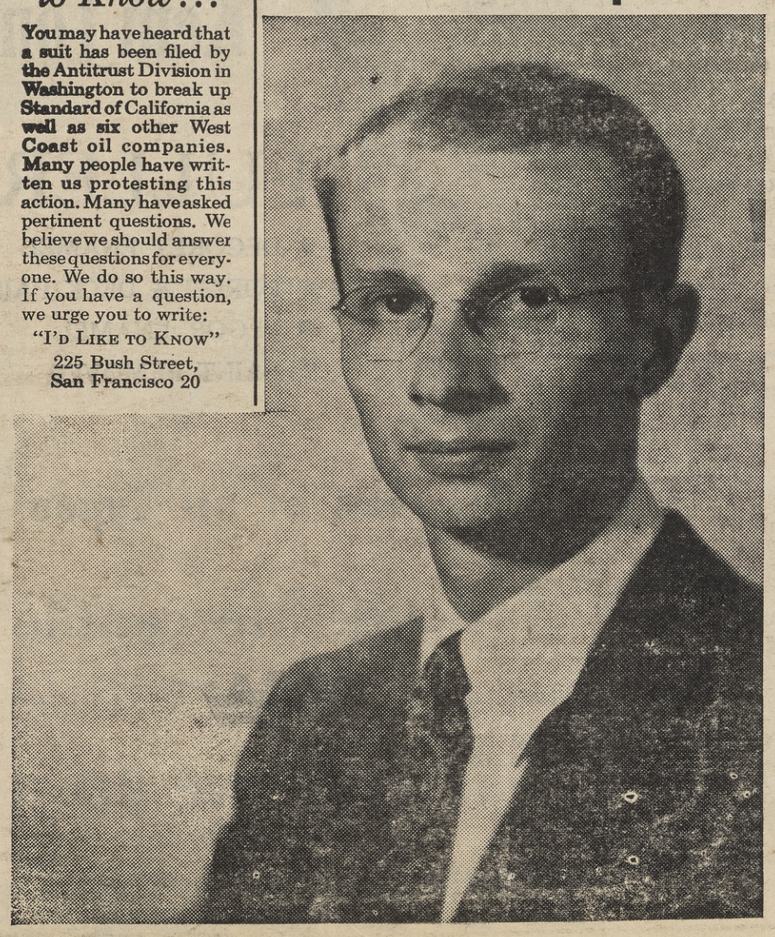
I'd Like to Know...

You may have heard that a suit has been filed by the Antitrust Division in Washington to break up Standard of California as well as six other West Coast oil companies. Many people have written us protesting this action. Many have asked pertinent questions. We believe we should answer these questions for everyone. We do so this way. If you have a question, we urge you to write:

"I'D LIKE TO KNOW"
225 Bush Street,
San Francisco 20

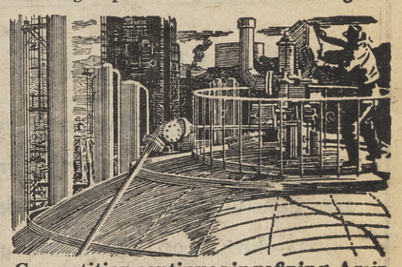


"How much competition is there among major oil companies?"

Harry F. Wood, attorney of Olympia, Washington, writes: *"What type of competition does actually exist among the major oil companies? Price? Service? Research? If it's research, we should find one oil company's brand of oil, for example, gives better engine protection."* Harry F. Wood

The answer to this question is much the same for the oil industry as for most others. Competition is intense in *all* operations. In oil, operations group under four broad headings...

Competition starts with crude. Oil companies explore, bid for rights to land where oil may exist. Then they must produce at costs low enough to meet market prices.



Competition continues in refining. Again each company must make the operation pay. If products are either not good enough or too expensive, we can't keep customers.

Competition in research exists indeed. A company must keep pace or lose out. Current pace-setter is our new motor oil. With tests using atomic energy, our scientists reveal it reduces engine wear as much as one-half, compared with conventional oils.

And competition shows up clearly where our products are *sold*. This is partly competition in *service*. ("We take better care of your car.") But it's competition in *price*, too. To get and hold business, every seller has to hold his prices down to meet others.

STANDARD OIL COMPANY OF CALIFORNIA

Truckee, Calif. Reg Smart, Mgr.

High School PTA Meet Slated at Summit School

The Tahoe-Truckee High School PTA will hold its last meeting for this season at Donner Trail Elementary School on Thursday, May 10, at 8 p.m.

At the meeting the following will be installed as officers for the year 1951-52:

Cliff King Jr., president; Miss Virginia Angelo, secretary; Mrs. A. Sanford, treasurer. Serving each district will be a vice president and an assistant secretary. These will include Bud Mandeville, Kings Beach; Mrs. E. Moore, Tahoe City; Mrs. R. H. Cartmill, Summit, vice presidents; Mrs. C. E. Martin, Truckee; Mrs. L. Rood, Kings Beach; Mrs. D. Rich, Tahoe City; Mrs. C. W. Petrocchi, Summit, vice secretaries. The vice president for Truckee has not yet been named.

The general chairman will be Mrs. George Rutledge and assisting here with the refreshments will be Mrs. Petrocchi and Mrs. Cartmill.

Immediately following the session, there will be a student, faculty, parent panel discussion. This was started at the last meeting and proved so successful that the members present decided to continue the program. The topic for discussion will be "Problems in Recreation."

Gardenias in the Snow For Florist's Opening

Tropical gardenias were given away to visitors by Mary Harrison and Lucille Stout on Saturday at the opening of their Donner Florist located at Gateway Park, despite a heavy snow storm.

The shop is painted in a light green, with a partition of mahogany, in which is a refrigerated show window with a black background for effective display of cut flowers which vary from dainty baby roses to exotic orchids. Bouquets for added home beauty, corsages and center pieces for public and private affairs are for sale. Ceramic and metal plant holders and figurines are decorating the white shelves as gift suggestions and potted plants and ferns complete the attractive merchandise of Gateway's newest place of business.

Southern Visitors—
The Paul Archers were recent southern California visitors.

NOTICE
May garbage payments should be paid to the Truckee Sanitary District as the contract with the Truckee Sanitary Service was discontinued as May 1. For further information Phone 42.

Loynd Home Scene Of Shower Party

Complimenting Mrs. Robert Leamon, Mrs. Ray Scott and Mrs. Walter Loynd were hostesses at a shower, given in the home of the latter Friday evening.

High scores for guessing games were held by Mesdames A. P. Leitch, Robert Gifford and Harold Langille. Many attractive gifts were opened by the feted guest and a supper was served at a late hour.

Others invited were Miss Irene Oetjen, Mesdames John Gracik, William Waters, Lester Deckwa, Nace Firpo, Roxie Archie, Walter Barrett, Douglas Barrett, L. D. Nelson, Cecil Edmunds, Lester Braasch, E. L. Loynd.

Leave for Gardnerville—
Mrs. Andrea Oroz and daughter Mary Kathleen, accompanied by Mrs. Mel Thornton, returned to their home at Gardnerville today. Mrs. Oroz has been the guest of her mother, Mrs. Steve Besio, while recuperating from a recent operation.

Sacramento Men Hurt As Car Turns Over

Robert Jackson and Norman Lauppe, both of Sacramento, suffered minor injuries on Sunday night at 11:30 o'clock when a car driven by the former skidded and overturned near Boca on Highway 40. State Patrolman William Gautsche cited Jackson for speeding and not having his car under control.

Tarzan

by EDGAR RICE BURROUGHS ®

EXERTING HIMSELF TO HIS GREATEST SPEED, TARZAN INTERCEPTED THE BLACK PANTHER BEFORE IT COULD SPRING TOWARD THE GIRL.

INSTANTLY, TARZAN CHARGED. SHEETA, BALANCED PRECARIOUSLY ON A SMALL BRANCH, WAITED WITH BARED FANGS.

BUT THE APE-MAN'S ATTACK TOPPLED THE PANTHER FROM THE SWAYING LIMB, AND THEY PLUNGED DOWNWARD!

SHEETA LANDED ON OUT-SPRAWLED LEGS, BUT TARZAN'S WEIGHT CRUSHED HIM TO THE EARTH.

STRIKING HARD AND SWIFTLY WITH HIS SHARP BLADE, TARZAN SOON OVERCAME HIS JUNGLE FOE. THEN HE ROSE AND SCREECHED HIS PIERCING VICTORY CRY!

HE LOOKED FOR THE GIRL, BUT SHE WAS GONE! MOMENTS LATER A WEIRD NOISE DEEPENED THE MYSTERY—AN APE IN DISTRESS!

ALERTED, TARZAN FOLLOWED THE PITIFUL CALL. IN A SMALL CLEARING HE FOUND THE APE—TRAPPED IN A DEEP PIT!

THE CAPTAIN AND THE KIDS

HEFFENS, MY BOYS!

"Good bye mama" IT SAYS HERE, "Ve iss going away. So soon ve make our fortune ve be back.-mit luff Hans und Fritz"

BY R. DIRKS

AW, VE CHUST VANTED TO FIND A GOLD MINE OR SUMTING, MAMA

BUT, DOLLINKS, DON'T BE FOOLISH! YOU ISS TOO YOUNG TO RUN AVAY UND GET RICH! FOIST COMES DER A-B-C IN SCHOOL, REMEMBER?

CHESSY CHAMES DIDN'T VAIT ALL DAY, MAMA!

CHEE WHIZ

RAN AVAY FUM HOME, EH? VELL, VHY NOT?

DON'T BE SO SUBTLE, VOMAN, GIFF 'EM DER HAIR BRUSH

UP TO YOUR ROOM, I SAID. VE GOT A MEET-ING FOR GROWN-UPPERS ONLY

DOT'S DER TROUBLE, CHENTS! DER LIDDLE ANCHELS DON'T MEAN NO HARM, DEY VANT TO RUN AVAY CHUST TO GET RICH

LET 'EM RUN! DEY SOON COME BACK, I BET

BAH, VUNCE I HAD A UNCLE DOT VOS NO GOOD, UND HE RUNNED AVAY UND PIDDY SOON HE VOS A MILLYUNAIR

DID YOU HEAR DOT? HE RUNNED AVAY UND, PRESTO, -A MILLYUNAIRE!

VE ISS ON DER RIGHT TRACK, NAPOLEUM, LOOK -A HORSE-SHOE!

GANGVAY, SHIPWRECKER VE ISS GOING TO BE MILL-YUNAIRES

DON'T BE SAPS! I WUZ GON'A BE A PIRATE BUT I GOT SEASICK- SO I CLEANED UP IN OOJI-BOOJI! IF YE WANNA GET RICH FOLLOW ME!

YUP, UND VE CHUST FOUND A HORSESHOE

I'M NO GOOD AS A SAILOR BUT A WOW AS A SHIPBUILDER. SEE WOT I MEAN?

SHOW ME DE WAY ACROSS DISS BLOOMIN' ISLAND AN' I'LL SHOW YE A COUPLE O' MOUNTAINS CHUCK FULL O' GOLD AN' YE'LL BE MILLIONAIRES

GOLLY, VOT DO YOU KNOW, A LAND BOAT!

MIT DISS LUCKY HORSESHOE VE CAN'T MISS!

IF DER VINDT HOLDS OUDT, MISTER, VE SOON BE ACROSS, VEN COME DER GOLD MOUNTAINS -STOP!

SMACK SMACK, OH, BOY, VON'T MAMA BE PROUD

LIKE I SAY, BOYS, I GOT MINE IN OOJI-BOOJI. IF YE SEE DE GOLD MOUNTAINS HOP OUT AN' GET YOUR'N -I GOTA BE ON MY WAY

LOOK- A BLACK SEA GULL!

DOT'S NO SEA GULL! STEP ON DER GAS, MISTER! DOT'S A BUTZARD

RIGHT YE BE, LAD, AN' HE LOOKS HUNGRY! WELL, HERE'S WHERE YE HOP OUT

NICE TO HAVE METCHA, KIDS, BUT EVERY MAN FOR HISSELF I ALWAYS SAY! NEXT TIME STICK TO PINOCHLE OR SUMP'N!

YOU KNOW, SISTER ANN, I TINK DOT GUY VOS A CROOKER, IT DON'T GIFF NO GOLD MOUN-TAINS

CHEER UP, NAPOLEUM, MIGHTBE DISS TOIKEY ISS TAKING US HOME! LOOK, I STILL GOT DER HORSESHOE!

WHOSE HOME?

ABBIE an' SLATS by RAEBURN VAN BUREN

WHEN STERLING SILVER, INTERNATIONALLY KNOWN GAMBLER, LANDED ON THE SECLUDED ISLE OF HANGOVIA, LITTLE DID HE KNOW HE WAS ABOUT TO WITNESS A SIGHT HERE-TOFORE DENIED THE EYES OF ANY BUT THE NATIVES---

W-WHAT--WAS THAT?

THAT WAS THE OSTEROO!

SWISH

THE OSTER- WHAT?

HIS MOTHER WAS A KANGEROO, HIS FATHER AN OSTRICH--OF NO VALUE, HONORED VISITOR, SAVE AS A **MERE CURIOSITY!**

OOO

CURIOSITY-**HAH!** ANY ANIMAL THAT CAN RUN THE MILE IN TWENTY SECONDS IS THE KINDA CURIOSITY THAT'LL MAKE A RICH MAN OUTA ME! GRAB THAT BEETLE AND BRING HIM **HERE**, GROGGINS!!

IT IS USELESS, WISE ONE, TO ATTEMPT TO RACE THE CREATURE--SINCE HE WILL NOT ALLOW ANY HUMAN ON HIS BACK-

YER DEAD RIGHT ABOUT THE **HUMAN** PART, SWEETS--

HEY--TAKE IT EASY, TOPAZ-- **WHOA!!**

JOE INKS

by HENRY FORMHALS ®

BOY, WILL BLANCHE BE SURPRISED!

NOTHIN' LIKE AN UNEXPECTED GIFT NOW'N' THEN TO SWEETEN UP TH' LITTLE WOMAN!

I'LL UNWRAP IT AN' PUT IT RIGHT HERE WHERE SHE CAN'T MISS IT---OH, OH, HERE SHE COMES!

IS THAT YOU, JOE?

UH, YES, WELL, WHAT DID MY LITTLE WIFIE DO T'DAY?

OH, THE USUAL WEEKLY SESSION OF CONTRACT! AND I WISH YOU COULD HAVE HEARD THAT MRS. COOK RUN DOWN MEN IN GENERAL AND HER HUSBAND IN PARTICULAR!

Tm. Reg. U. S. Pat. Off.—All rights reserved
Copr. 1951 by United Feature Syndicate, Inc.

SHE CLAIMS THAT ALL MEN ARE EGOTISTS AND THAT EVEN THE MOST HOMELY THINK THEIR PROFILES CAUSE WOMEN TO SWOON IN ECSTASY!

HOW DOES **SHE** KNOW SO MUCH ABOUT WHAT **MEN** THINK?

AND SHE ALSO SAID MEN PAST FORTY ARE THE WORST! THE OLDER THEY GET THE MORE VAIN THEY BECOME ABOUT THEIR IMAGINARY BEAUTY!

WHAT A LOT OF HOKUM! YOU DIDN'T LET HER GET AWAY WITH THAT SLANDER, DID YOU?

5-6

I DID **NOT**! I TOLD HER I COULD PERSONALLY VOUCH FOR MY HUSBAND'S MODESTY! AND I FURTHER TOLD HER--- ARE YOU GOING SOMEWHERE, JOE?

YEH, I JUST THOUGHT OF SOMETHING OUT IN TH' ALLEY! I'LL BE RIGHT BACK!

STRANGE as it seems
